

FOR IMMEDIATE RELEASE

Lil DipPit™ Skimmer Dipper—no more getting on hands and knees!

The new Lil Dipit™ is a practical tool to easily clean out frogs and other critters from pool skimmers. The device has a skimmer lid 'hook' to hook and easily remove the lid. With a 36" long handle, the user can clean the skimmer without getting on hands and knees. The end of the unit has a basket to remove floating bugs, frogs, mice and any other undesirable items floating in the skimmer. The elongated hook even allows the user to remove the entire skimmer basket without tipping! The Lil Dipit™ is available with a free point of purchase display unit with the first order of 48 units and all cases of 12 and 24 pieces come complete with sales hanger cards.
